

AIO

Part 1)Introductions:

The TOLO-AIO (all-in-one) series steam generator add many new features into the steam shower experience such as iPhone control, fast steam,auto descaling,salt spray.

Flashing color lights, or choose a color you love, add some of your favorite fragrance,and music comes, soft steam around you...

Waterproof touch buttoned, glass surfaced control display with screensaver and wake-up function,we make every detail the best.

*Wifi control device : iPhone /iPad / iTouch App control , search "Steamtec Sauna"

*Auto descaling pump: Choose descaling time under "4~8H", once steam generator is off, solution will be pumped automatically into water tank for soaking.When the setting time reaches, steam generator will start to drain,flushing, and then power off.It's perfect for commercial use as you only need to make descaling setting one time ,and the machine will repeat descaling everyday.

*Commercial mode-fast steam: If you switch to commercial mode,water will be kept at 85°C, and steam will come out in 30 seconds after user press button, 30 mins a cycle, really energy saving especially for commercial use.

*Salt spray therapy:The generator is able to atomize salt water or medicament into tiny particulates, and mix in the air for breathing and absorbed by skin.

*Auto aroma pump: It has temperature switch on the steam pipe,when the temperature higher than 85°C,aroma oil will be pumped into steam pipe automatically then steam will bring fragrance to everywhere of steam room,two bottles for two smells ,and perfect to use in spa,club center.

*Service hole:There's an after -service hole on the top of the steam generator, also can be used as another steam outlet

*Over-heat protection: When the room temperature reaches 2°C higher than your setting , then all heating elements stop working, steam generator under heat preservation state; , if water tank temperature over 115 °C, steam generator go into protection state, steam generator stop heating. When the temperature lower than 100°C, steam generator start to work again

* Low water level protection:When water under some certain level and the machine failed to re-fill in water automatically, the steam generator will go into a "sleep model" until water is be re-filled or steam generator turn-off.

*Sectional heating technology:Each generator has 3 groups of heating elements which provide sectional heating,from the first beginning ,all 3 groups operates at maximum power and rapid heating ,when the room temp is almost reached,then group 1 stop,when the required temps is achieved ,then group 2 stop.The group 3 alternates on and off to maintain the room temp.

Part 2)Standard Functions:

Standard Functions:	
Water inlet	Auto
Draining	Auto
Flushing	Auto
Power off	Auto
Overheat protection	Yes
Time setting	1~ 60min. or Continuous
Temperature setting	35 ~ 60°C(95 ~ 131 °F)

Part 3)Main Materials:

Main Materials:	
Housing	SS#201
Water tank	SS#304
Heating element	SS#316 with UL certified, can greatly reduce

Part 4)What does whole set have:

	Steam generator
	Control display ,waterproof touch screen (ca
	Central box
	3/4" Full-bore straight auto drain valve (will
	Control cable , length 5 m (central box -> co
	Probe cable, length 5 m (central box -> sens
?	Central cable (steam generator -> central bc

	Stainless steel#304 steam nozzle with arom
	Safety valve,copper
?	English user guide

Part 5)Optional functions:

Optional Functions & Equipments: Anytime to add any of below accessories is workable		
	Wifi control device	iPhone /iPad / iTouch App control (Wifi range), search "Steamtec Sauna"
	Music system	Bluetooth speaker,1 pair with amplifier
	Coloured lights	Light therapy (standard 6pcs/set, max. 20pcs available)
	Auto aroma pump	*Aroma usage are adjustable *Two pumps for two smells *Perfect for spa,club center,etc commercial
	Auto descaling pump	*Solution come automatically and soak *Deeply clean water tank and heating elements
	Exhaust fan	Dry and ventilate steam room
	Commercial mode-fast steam	*Water kept at 85°C *Steam come in 30 seconds after press button
	Salt spray generator	Salt spray therapy
